WATERPARK

At Aquaventure World, every drop, splash, and plunge is designed to thrill. With over 105 slides, attractions and experiences, the most iconic is undoubtedly the Leap of Faith - a 27.5m near-vertical drop that shoots riders through a clear tube surrounded by sharks and rays. For those craving an even bigger adrenaline rush, Blackout, the "scarier sister" of the Leap of Faith, pushes the boundaries of fear.

The park features exhilarating water coasters like Shark Attack, where riders navigate a dark tunnel before emerging into an incredible aquatic world. Group rides like Zoomerango promise gravity-defying thrills, while river rides, cliff jumps, and wave-riding experiences offer endless excitement for every adventurer.

For younger explorers, Splashers Kids' Play Area is a vibrant maze of tunnels, slides, and climbing frames designed just for them.

Beyond the slides, Aquaventure World offers unforgettable marine encounters - swim alongside sharks, hand-feed gentle cownose rays, or experience moments with dolphins and sea lions at Atlas Village.

And when it's time to unwind, the 1km private beach provides the perfect escape - whether you're soaking up the sun, taking a peaceful stroll, or enjoying the legendary views.

Introduced in 2013, standing at 39 metres, Poseidon Tower features exhilarating attractions like Poseidon's Revenge, where riders experience a sudden trapdoor drop into a high-speed loop, and Aquaconda, the world's largest waterslide tube that catapults riders through serpentine tunnels in the dark.

Trident Tower

Opened in 2021, this 48-metre giant is the tallest of them all, featuring 12 record-breaking slides, including the world's tallest waterslide, Odyssey of Terror; the world's longest duelling waterslide, Medusa's Lair; and the world's longest family water coaster, Shockwave.
