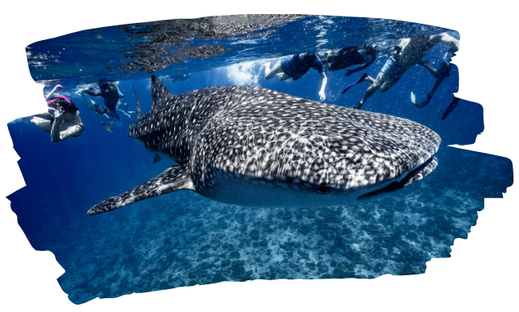
DISCOVER THE ATOLL OF ADH & DHIGURAH!

CREATING LASTING MEMORIES DURING YOUR HOLIDAY!

In the South Ari Atoll lies Dhigurah Island, a prime destination for encountering whale sharks. Throughout the year, this area attracts frequent visits from Whale Sharks, Manta-rays, and Turtles, offering an ideal chance to fulfill your aspirations of swimming alongside these magnificent beings. Witness their spectacular motions in the ocean waves and create lasting holiday memories.



WHALE SHARK SNORKELING - USD 90 per person

The world's largest fish, growing up to 12 meters long, are known as "whale sharks", despite not being whales but rather filter-feeding sharks. These immense sea creatures are commonly described as "gentle giants".

MANTA SNORKELING - USD 64 per person

Witness the mesmerizing dance of the manta ray and be enveloped in pure grace and serenity. Swim with these majestic creatures in their natural habitat to witness one of nature's most splendid spectacles. The South Ari Atoll is home to various types of rays, including Black Spotted Eagle Rays, Torpedo Rays, Feather Tails, and Guitar Rays. The ideal time to observe mantas at Manta Point is from June to October.

HOUSE REEF SNORKELING - USD 39 per person

The magnificent Dhigurah house reef extends for several kilometers along the atoll's perimeter. Accessible via a brief 10-minute boat journey, this reef offers abundant opportunities to observe remarkable wildlife! From hawksbill and green turtles to eagle rays, black- and white tip reef sharks, eels, and a diverse array of fish, our reef is home to a captivating variety of marine life. The astonishing diversity and abundance of underwater creatures never fail to impress.

FISH BANK SNORKELING - USD 39 per person

Explore the top aquariums located in South Ari Atoll, Maldives. These aquatic sanctuaries showcase a diverse array of marine life, including fish, corals, and gorgonians. Keep an eye out for majestic reef sharks as you wander through these underwater wonders.
