

GYM CLOSURE NOTICE

GYM CLOSURE FOR RENOVATION AND EQUIPMENT REPLACEMENT

We are excited to announce that we will be carrying out comprehensive renovation works on the gym facilities to elevate the fitness experience for all our residents. This upgrade is part of our ongoing commitment to enhance your well-being, promote a healthier lifestyle, and provide a modern, state-of-the-art gym environment.

To achieve this, we have assigned specialist contractors to carry out both the gym renovation and the replacement of all gym equipment. The renovation will completely transform the gym area, introducing new equipment and a fresh, contemporary design to improve both functionality and aesthetics. We will also be upgrading the gym toilets facilities to ensure a more comfortable and enjoyable experience.

Please note that the Gym area, Gym toilets, Steam, and Sauna will be closed for renovation from: 18th January 2025 to 18th February 2025.

We appreciate your understanding and cooperation during this time as we work to improve the facilities for your enjoyment and fitness needs.

During this period, all gym facilities will be closed, and we understand that this may cause some inconvenience. However, we firmly believe that the result will be worth the temporary disruption.
