RESORT AL MARJAN ISLAND

Important Notice: Mövenpick Resort Al Marjan Island Beach Remains Open & Unaffected

Dear Valued Partner,

We hope this message finds you well.

We are reaching out to clarify recent circulating news regarding beach enhancement works in Ras Al Khaimah, particularly notices issued by other hotels on Marjan Island. Please be assured that these works have no impact on Mövenpick Resort Al Marjan Island.

Unlike some properties that may be affected, Mövenpick Resort Al Marjan Island proudly maintains its own private 300-meter white sandy beach, which remains fully operational, uninterrupted and exclusively accessible to our in-house guests. We are not closing any part of our beach and all beachside experiences continue as usual.

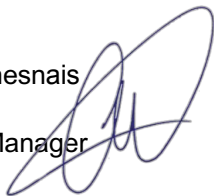

We understand that such notices from other hotels may cause confusion and potential business disruptions. We appreciate your continued support in communicating to your clients and guests that our resort remains a premier beachfront destination with no impact from external developments.

Should you require any further clarification, please do not hesitate to reach out. We value your partnership and look forward to welcoming your guests for a seamless and luxurious beachside experience.

Best regards,

Fabien Chesnais
