As part of Sunny Days Resort & Spa ongoing commitment to service enhancement and quality improvement, and in line with our renovation and upgrading plan to meet international standards, we would like to inform you of the following:

**We will begin the renovation of the Main Restaurant at Sunny Days El Palacio .**

- Closure period: Starting 08 January 2026
- Duration: Approximately 45–60 days – will update if any changes.

During this period, El Palacio's Main Restaurant will be fully replaced by a spacious, fully equipped dining tent, designed and operated as a main restaurant, ensuring no disturbance or inconvenience to our guests.

Additionally, we are pleased to confirm that all Specialized restaurants will remain fully operational at full capacity, including:

- Italian Restaurant
- Seafood Restaurant
- Asian Restaurant
- Four Corners Restaurant
- Mahrousa Restaurant

Moreover, the main restaurants at our sister hotels will also operate at full capacity during the renovation period:

- Palma Restaurant
- Mirette Family Restaurant

We assure you that all necessary measures will be taken to maintain guest satisfaction and service quality throughout this enhancement phase.
