

YAS PLAZA
HOTELS

Announcement

From **7 January**, we are proud to begin an exciting new chapter together as two of our Yas Island hotels step into refreshed identities and a reimagined guest experience.

Yas Plaza Mangroves by IHG (formerly Radisson Blu Yas Island)
Yas Plaza Bay by IHG (formerly Park Inn by Radisson)

This transformation goes beyond new names and signage. It represents our commitment to creating even better experiences for the families and travellers we welcome every day. Both hotels have been fully refurbished, with brighter, more inviting lobbies and thoughtfully updated guestrooms designed for comfort, style, and ease.

At **Yas Plaza Bay by IHG**, we've taken this a step further with the introduction of **family suite rooms**, offering parents and children the space and flexibility to truly feel at home.

These updates are a reflection of the dedication, passion, and teamwork that each of you brings every day. Together, we are building hotels that are welcoming, family-focused, and memorable—places where meaningful moments are created and remembered.

Thank you for being part of this journey. Your efforts make every guest experience possible, and together, we will continue creating moments that truly stay with our guests.
