SULTANATE OF OMAN

Rihla under the guiding light of the moon

Dear Esteemed Guest, Ramadan Kareem from Kempinski Hotel Muscat. By embracing the traditions of Ramadan, you can gain a richer appreciation of Omani culture and truly experience the spirit of the month, all while enjoying the luxurious offerings of Kempinski. During Ramadan:

- ♦ The pool, spa, and health club will be accessible to all guests.
- ♦ Outdoor activities and hobbies in Muscat are allowed throughout Ramadan.
- ♦ Please note that modest attire is required in public areas and on the beaches, while swimwear is acceptable around the pool and beach areas within the hotel.
- ♦ Public consumption of food and beverages outdoors during daylight hours is generally discouraged, except for children. We recommend dining indoors whenever possible.
- ♦ Restaurants and cafes may have modified operating hours during Ramadan.
- ♦ We offer takeaway meals for scheduled tours and transfers during this month.
- ♦ Alcoholic beverages will be available at the hotel after sunset for non-fasting inhouse guests, specifically in designated dining venues. They can also be ordered through in-room dining throughout the day.

Best regards,
