

Theme Park Access

Now Included with Every Stay

Dear Valued Partner,

Yas Plaza Hotels is thrilled to announce a new added-value benefit across its portfolio. For bookings made **from January 27, 2026** guests staying at any of the six Yas Plaza Hotels properties - Yas Plaza Marina by IHG, Yas Plaza Circuit by IHG, Yas Plaza Mangroves by IHG, Yas Plaza Bay by IHG, Crowne Plaza Yas Island, and Staybridge Suites Yas Island - can now enjoy access to Yas Theme Parks (Ferrari World Yas Island, Abu Dhabi, Yas Waterworld Yas Island, Abu Dhabi, Warner Bros. World™ Yas Island, Abu Dhabi and SeaWorld® Yas Island, Abu Dhabi) with every stay.

This enhancement enables our partners to offer guests a more compelling Yas Island experience, combining conveniently located accommodation with access to the island's most sought-after attractions. It adds meaningful value for families, leisure travellers, and groups seeking ease, flexibility, and memorable experiences within a single stay.

By introducing this benefit across the collection, Yas Plaza Hotels further strengthens its position as a central base on Yas Island, while supporting our partners with a clearer and more attractive proposition for their clients.

Our teams remain available to support you as we prepare for this exciting addition.

Warm regards,
Yas Plaza Hotels Team
