Important Notice: Main Pool – Scheduled Enhancement

Dear Valued Travel Partner,

Warm greetings from InterContinental Ras Al Khaimah Mina Al Arab Resort & Spa.

As part of our continued commitment to delivering the highest standard of facilities and guest comfort, please be advised that our Main Pool will undergo a scheduled refurbishment from 01 June to 31 July 2026.

During this period, the Main Pool will be temporarily unavailable. To ensure a seamless guest experience, the Club InterContinental Pool will be accessible to all in-house guests throughout the enhancement period, in addition to our private beach, which will remain fully operational.

This planned upgrade has been strategically scheduled, and comprehensive measures have been put in place to minimise any impact on the overall resort experience. The project will further elevate our leisure facilities and reinforce the luxury positioning of the resort.

Should there be any updates to the timeline, we will communicate accordingly and in a timely manner.

We appreciate your assistance in sharing this update with our mutual clients and guests, and we are happy to address any questions or concerns that may arise. We look forward to welcoming them to an enhanced resort experience following the completion of these works.

Thank you for your continued partnership and trust.

Kind regards,

Cameron McNeillie
General Manager
