UMANA

BALI

Inspired by Bali's renowned uma, or ancient rice paddy fields, Umana Bali's topography draws from the landscape structure of Balinese rice paddies. A secluded escape, the resort's design offers a fresh, modern interpretation of motifs found in Balinese architecture, textiles, crafts, and dance. The resort reimagines Balinese culture to create stays abundant with one-of-a-kind adventures and enduring magic. Bespoke personal service is at the core of the LXR experience, and the service at Umana Bali is rooted in the island's storied culture and spirituality.

Lohma Spa

Your sweet medicine

Wellness lies front and centre at The Lohma Spa, where a mix of personalized and holistic ancient healing traditions and contemporary therapies such as The Self-help reset physical energy and build strength, while The Body involves emotional release through deep relaxation techniques. Additionally, guests may truly relax both mind and body through sound meditation sessions and soul blessing ceremonies at The Lohma Spa or within the comfort of their villa.
