## ABOUT THE CLUB BY FANAR

Between the Dhofar Mountains to the north and the Indian Ocean to the south, The Club by Fanar frames a naturally stunning part of southern Oman while putting guests just moments away from Hawana Salalah and all of its offerings. Upon strolling through the property's landscaped gardens, one passes 123 rooms, a palm-flanked swimming pool, a restaurant serving international fare, an open gym, a massage cabana, and a beach bar on a private stretch of white sand.

## THE ROOMS

### THE CLUB EXECUTIVE ROOM

Boasting sweeping views of the beach and ocean from a 14-square-metre private terrace and with 47 square metres of indoor space, The Club Executive Room is ideal for those who like space to luxuriate. Complete with a king-size bed or twin beds, a writing desk, a lounge area, and a minimalistic bathroom. Light-hued woods, rattan, the occasional Arabian artwork, and neutral colours characterise the space throughout.

### THE CLUB CLASSIC ROOM

With views of either the palm-flanked pool or landscaped gardens and sometimes with the Indian Ocean partially visible too, The Club Classic Room comprises a 14-square-metre private terrace and 47 square metres of indoor space replete with a lounge area, a workspace, a bathroom with a walk-in waterfall shower, and either a king-size or twin beds. The design is inspired by the landscape of Oman, with sandy hues and natural materials throughout.
